

The background features a large, vibrant, multi-colored spiral that resembles a vortex or a stylized eye. The spiral is composed of concentric rings of color, including red, orange, yellow, green, blue, and purple, all set against a dark, almost black, background. A horizontal band of the same rainbow colors stretches across the middle of the image, passing behind the text.

# W.P. Wagner 2001-2002

## Principal's Message

This year has brought many new changes to the school, from your new 'short' Assistant Principals and new staff to all the new grade 10s.

We started the year with our pep rally and club demos and followed with many successful teams, clubs and field trips. Our short holiday in February (strike) committed all of the students to a concentrated second term effort. Students and staff worked hard to make up for lost time.

Throughout this yearbook you will recognize many activities and people in a wide variety of situations. I want to thank all of the support staff, the office staff, the school resource officer, the administrative team, but most of all the teaching staff. Without their efforts we would not have this book for your memories.

W.P. Wagner is a great school because the great staff and students have worked together to do their best!

John Beaton  
Principal

Wagner would not be the smooth running facility that it is without the contributions of all of those featured on this page. A thank you goes out to all of you, whose hard work makes life easier for all of us!

LEFT: Back Row (L-R): Judi Schmidt, Joyce Milne. Front Row (L-R): Susie Munro, Aruna Kroetch, Carole Ropchan, Sue Kirkbright, Anne Gould

LEFT (L-R): Nancy Leicht, Karen Belter, Diane Weir. ABOVE: Brenda Witty

Our hardworking and friendly custodial staff.

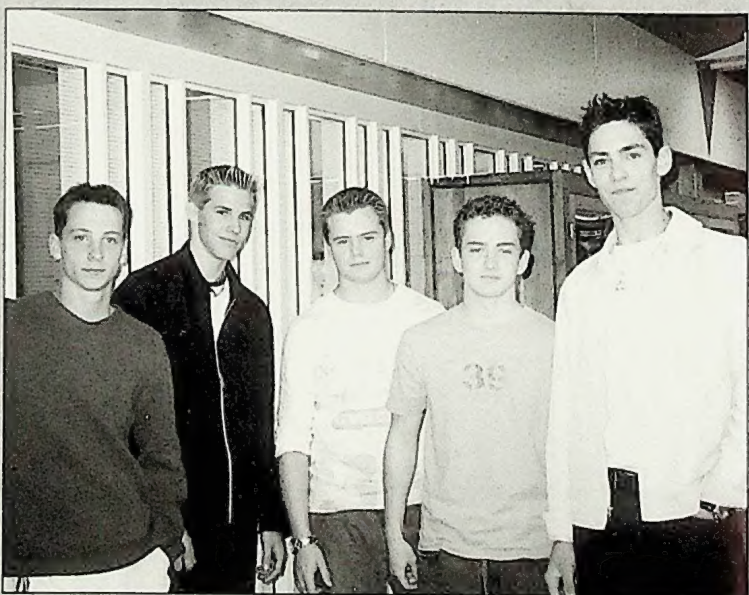

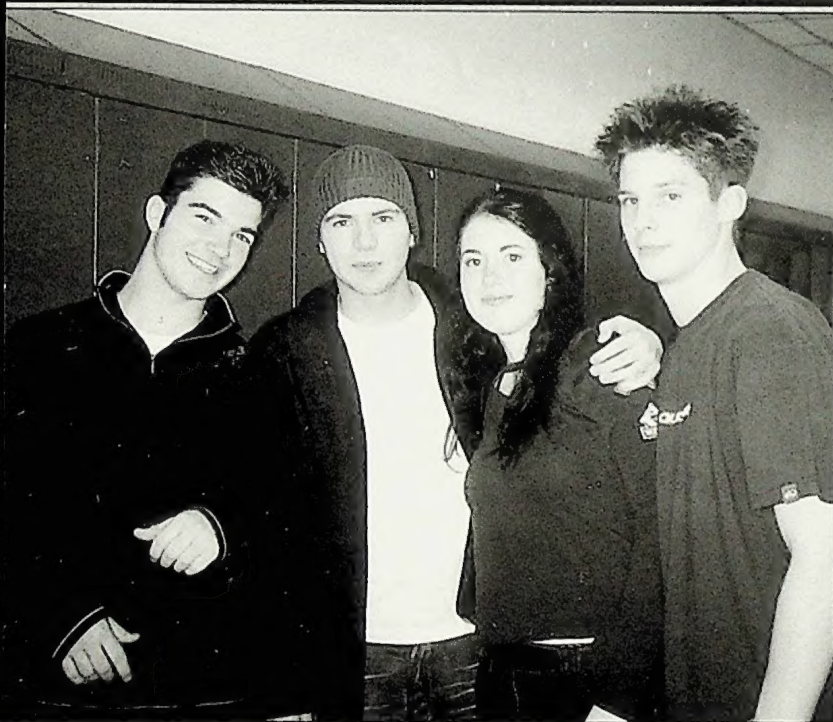

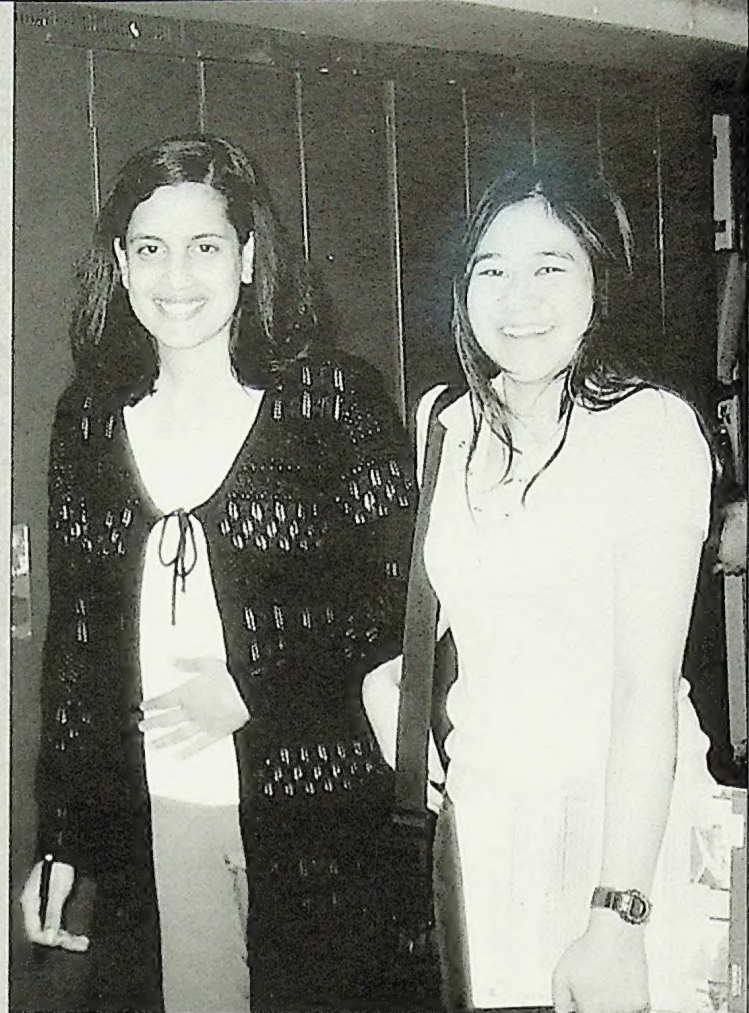

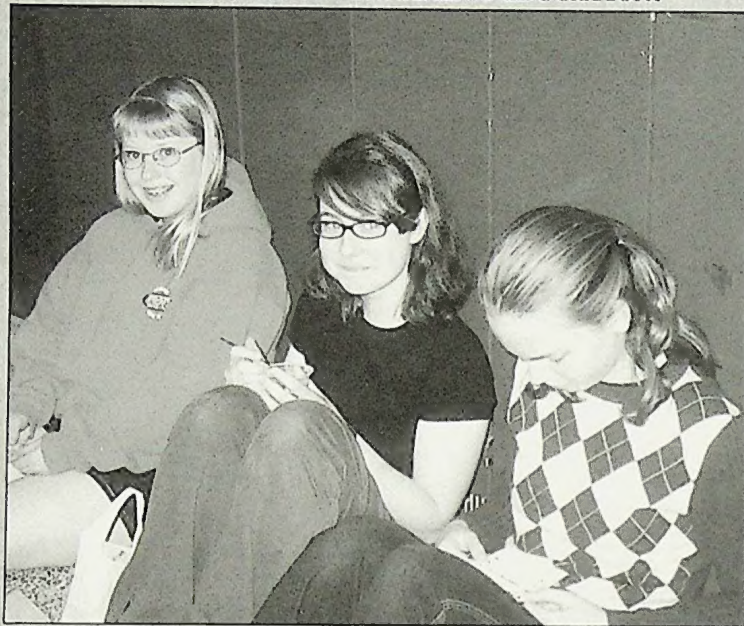

A FOND FAREWELL! Constable Parker has been with us for the past 4 years, and is now going back to the Edmonton Police Force full-time. We appreciate the contributions that she made to make Wagner a safe place and wish her all the best!

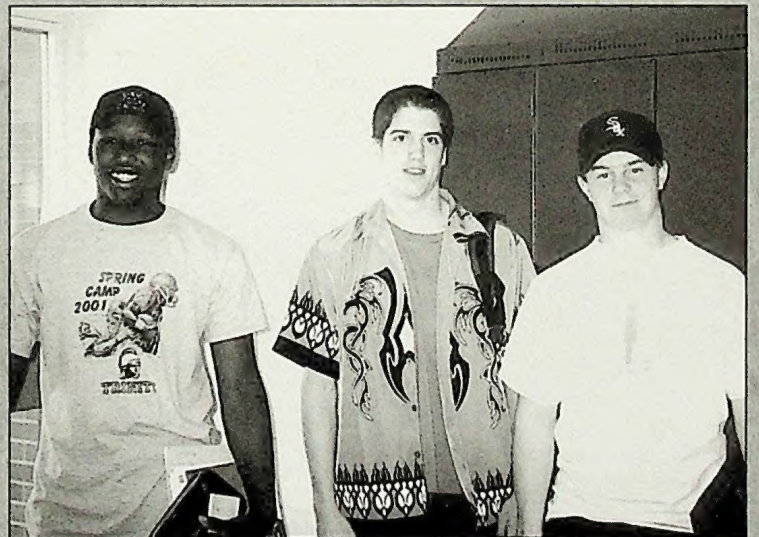

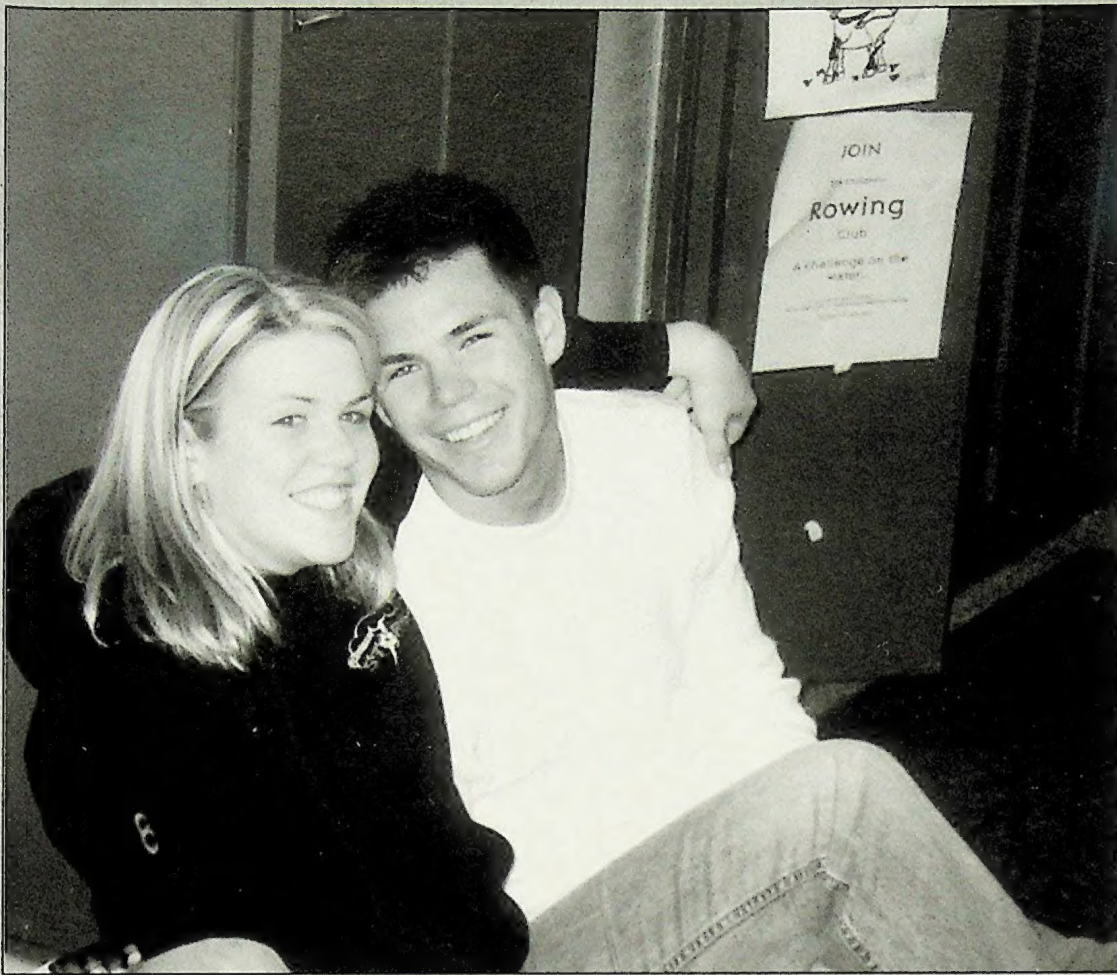

# WARRIORS ■ ■ ■ ■ IN THE ■ ■ ■ ■ CORRIDORS

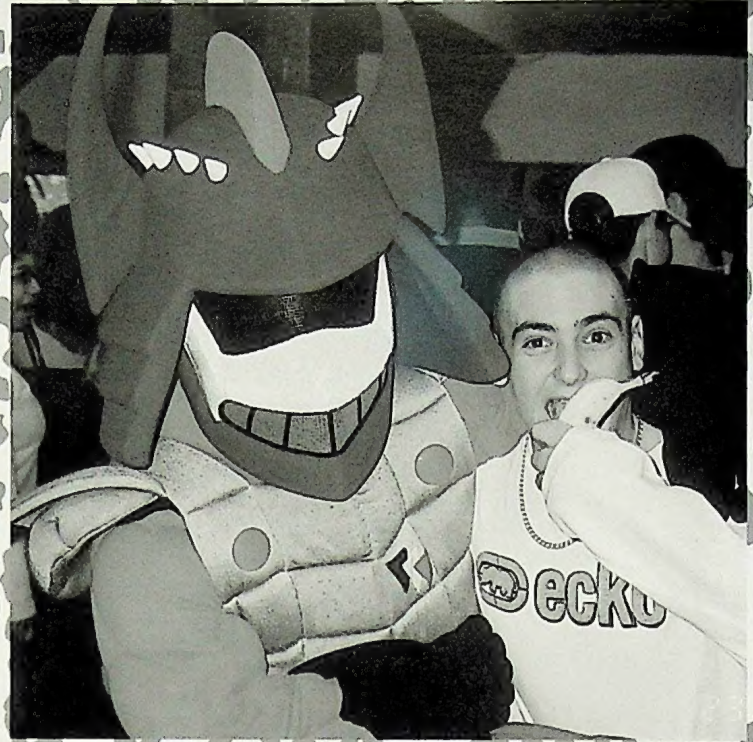

HERE ARE THE FACES OF THOSE WHO BRAVE THE HALLS  
EACH DAY, ALL IN THE NAME OF EDUCATION!

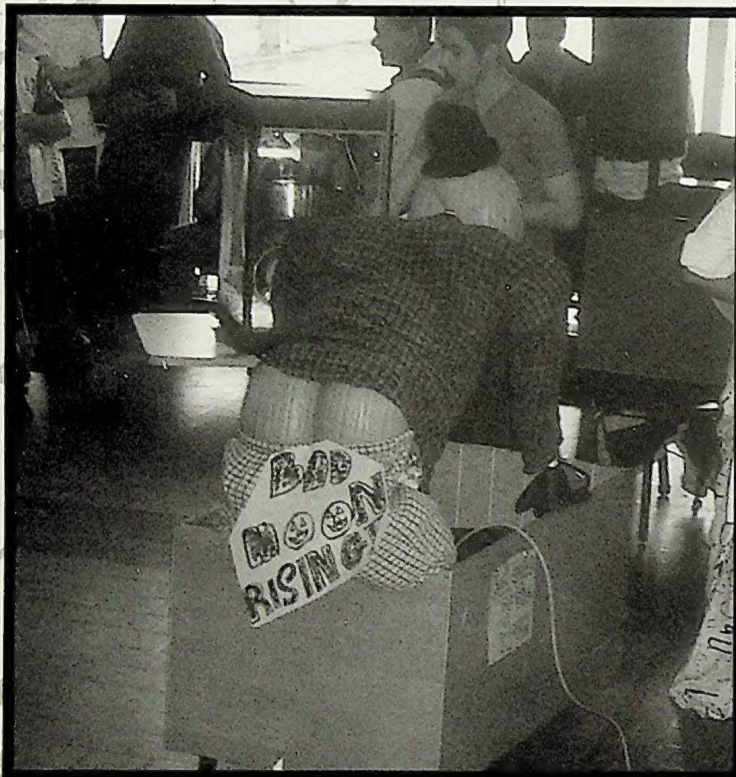

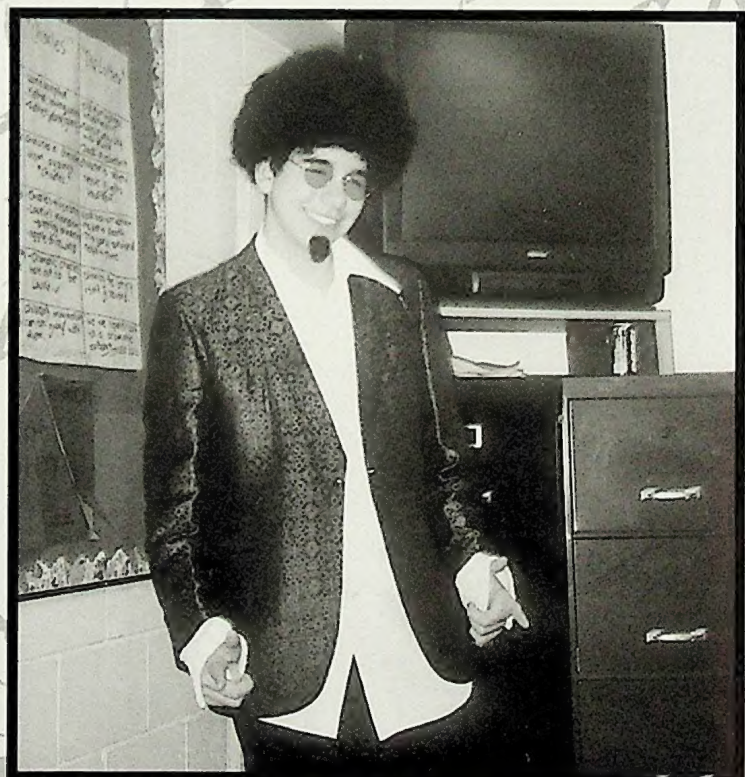

# HALLOWEEN 2001

Halloween is always scarier when there's a full moon!!

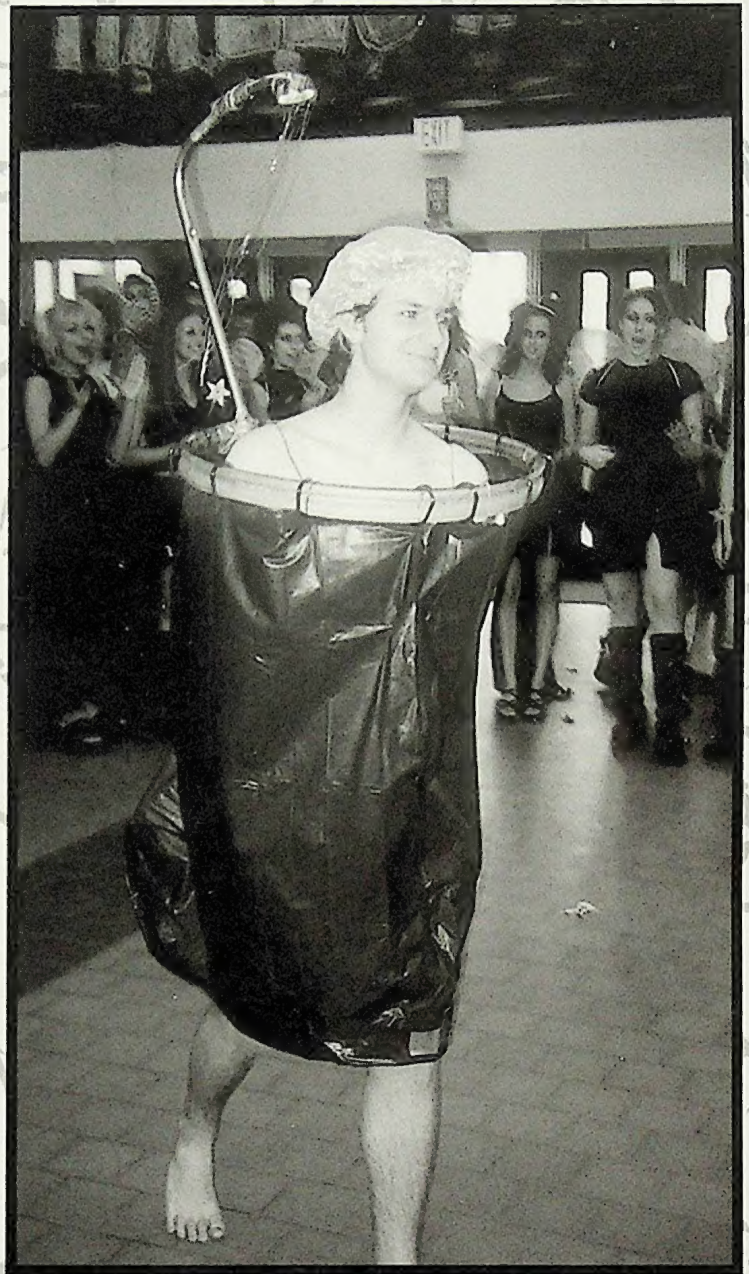

Oh no! Some poor unfortunate soul went back in time to the age of disco. GROOVY, BABY!

# When Wagner's Ghosts and Goblins Came Out to Play!

A royal lunch fit for the king's finest knights and entertainers.

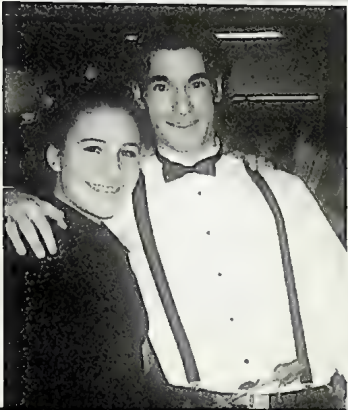

Lookout citizens of W.P. Wagner, it's the amazing shower man in all his glory, here to clean up the halls of the school.

# Touch Of Class

Touch of class took place on December 14. As an annual event, Touch Of Class usually has an excellent turnout, and this year was no exception. Almost of the students - and even staff - dressed up in their best tuxedos, suits or evening gowns, and showed what we all already know... W.P. Wagner is the classiest school in town!

A handsome Wagner man is surrounded by five lovely Wagner ladies, dressed to kill. Lucky man!

A group of ladies shows us what Touch of Class is all about!

# A Real Class Act

Teachers have class, too... Here Mr. Freed, Ms. Klaus, Mrs. Paquette, Miss Liebrecht, Mr. Zayac, Mr. Morgan and Mr. Chaudhry display their finest.

Mr. Beaton and two students welcome Wagner students to the Touch of Class banquet for all those who wore their finery.

The awards ceremony for the 2000-2001 school year took place on October 11<sup>th</sup>. The staff would like to congratulate all the award winners—your hard work in the areas of academics, athletics, fine arts, service, and overall school spirit and participation enhances the W.P. Wagner school community. We are proud of you!

# A Very Dramatic Year...

In true dramatic fashion, the 2001/2002 school year has been a year of many projects and plays.

Advanced Acting students worked very hard on the very challenging play *The Crucible*. These talented students certainly rose to the challenge of this large, complex play. The six-show run of *The Crucible* in the drama room was a success for all English 20 students and junior high students from all schools.

Performing Arts students, under the expert direction of Ms. Toms, spent the year honing their movement and vocal skills. Their efforts culminated in a special performance of the Gershwin Review. In this special performance, Performing Arts students teamed up with Jazz B to present a selection of Gershwin songs and dance numbers that were very well received by the audience.

The season closed out with the Advanced Acting presentation of *Stand and Deliver*. This play, based on a true story, chronicled the true account of how teacher Jaime Escalante used his skill as a teacher, enthusiasm for learning, and quirky humor to inspire his students (mostly gang members and 'trouble makers' from East LA) to overcome personal and societal obstacles to pass the AP Calculus exam. As is the case with all drama productions, there was some sadness as the cast of *Stand and Deliver* took their final curtain call. Perhaps this time it was even more difficult because this was the last drama production for grade twelve students. I know that those students who are leaving W.P. Wagner will be missed. However, for every door that closes another opens and I can only anticipate how wonderful it will be to see next year's grade twelve students mentor the new grade tens. Ms. Toms and I would like to congratulate and thank all the students involved in the W.P. Wagner Drama Program for a very successful year. More than ever, I believe that the drama students of the 2001/2002 school year captured the essence of Mr. Escalante's speech in *Stand and Deliver* when he said "...You are the true dreamers. And dreams accomplish wonderful things."

# An Award Winning Year

It was a vintage season for Wagner Music with over 150 students in instrumental music, 50 in jazz studies, 35 in choral music and 60 in the guitar program.

The 2001-2002 season welcomed the program's new director, Mrs. Roberta Baril who joined Ms. Lisa Toms in heading the program. In September they boarded the buses with 145 music students and traveled to the fall "Tune-up" music camp at Lake Nakamun with guest conductors Mr. Larry Schrum and Mr. Robin King. October saw 5 of our music students participate in the Alberta Provincial Honour Band and included performances at both the WPW Awards Ceremony and the Japanese Welcome and guitar students hosted their "Open Stage". November included an invitation for our 'A' Jazz Ensemble to be featured at the Alberta International Band Festival. In mid-November, Wagner Music hosted its 4th invitational music festival with 10 Edmonton junior high schools participating. It completed the 2001 year with the annual "Winterfest" concert in December.

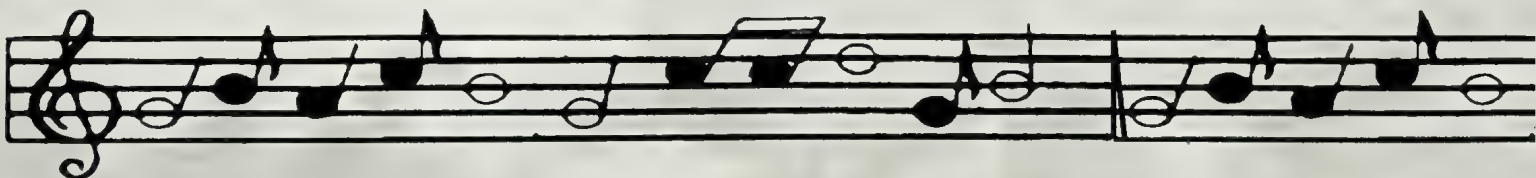

2002 began with a flurry of activity from all of our performing groups including the 50-piece grade 10 band, the 95-piece grade 11/12 band, the Symphonic Band which is an extra-curricular ensemble made up of grade 10, 11 and 12 students, two jazz bands, a 50 member choir and several smaller instrumental ensembles. These groups were asked to various school functions including the Counselor's Breakfast, Warrior Friends Evening and assemblies. Teacher job action made it a difficult year for the students as many of their festivals and events were cancelled for this year, but the students showed true dedication and musicianship as they continued practicing and making music part of their lives throughout this time.

Late spring saw the program back in full swing. In May, the Grade 11/12 Band performed at the Alberta Band Association Festival of Bands in Red Deer. This group was honoured with a "Superior" award for first place in its class and was also thrilled to be named "Most Outstanding Band in the Province". This is named the *Silver Trumpet Award* and brought with it a great deal of prestige and recognition for the program. Graduation was a huge musical success and featured our Grade 11's, choir, woodwind quintet and a vocal presentation of the grad song.

In June Wagner took its final concert of the year to Festival Place in Sherwood Park and played and sang to a sold-out audience. This was a wonderful evening which showcased the excellence we have come to expect from Wagner Music and brought the audience to its feet in appreciation. A highlight of the night came when the students presented a musical gift to Mrs. Baril to thank her for her year's work. Organized by Kellie Holmes and conducted by Lindsey Karas, both of whom will be studying music education at the U of A next year, the band had been secretly meeting to rehearse one of Mrs. Baril's favourite pieces and its presentation brought many tears of joy. Jazz "B" joined the Performing Arts students and under the direction of Ms. Toms, presented a musical review of Gershwin music. All band and choir groups also took a day in June and headed to a studio in order to record material for a program CD which will be available in early September.

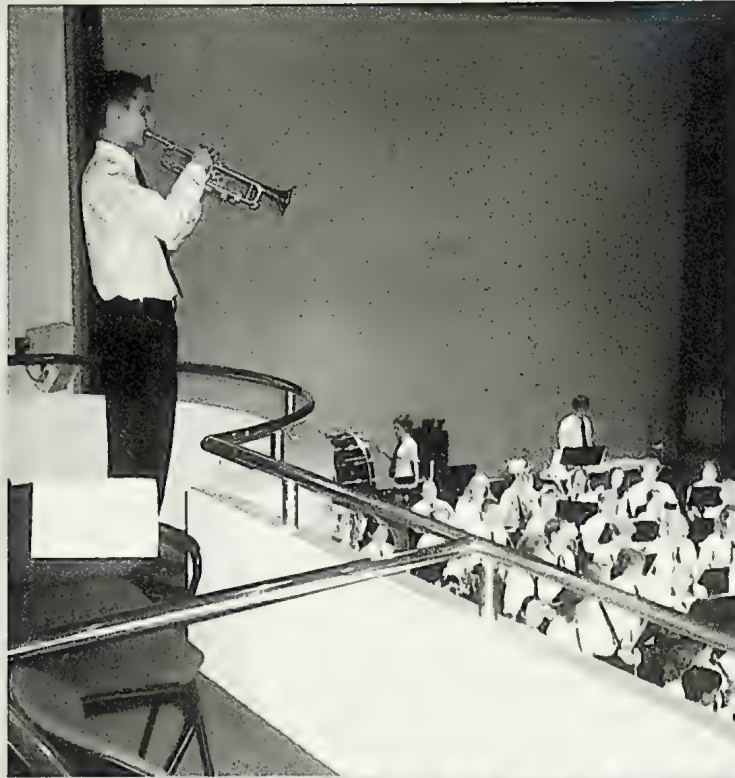

It was an extraordinary year that was the result of the hard work and dedication of every student in the program and the guidance of the teachers and the support of the parents. Bravo to every one of you.

Wagner Music is the greatest example of what strength and attitude can achieve.

This year the cross country team grew. We had several runners from all grades and a few rookies. The team was coached by Ms. Liebrecht and Mr. Luchkow. Due to conflicts with other teams, group runs were difficult to coordinate but a few of us did manage to run weekly in preparation for the meets. The meets were held every Wednesday and all runners participated in at least 2 events. Ben Juchli participated in all meets and even ran 2 legs of the relay meet. Way to go Ben! Several runners qualified for zones and Ben Juchli, Will Critchley, Graeme Dickson and Kelly Grieve qualified for provincials. Overall the team was successful and we had a good time. Thanks to all runners and good luck to those that will be leaving us.

The 2001 volleyball season was a very successful one for Junior Boys Volleyball Team. The Warriors finished the regular season with a record of 8 wins and 1 loss. This outstanding record can be attributed to the hard work of both the athletes and their coaches. A mix of returning grade 11 and grade 10 players formed the team that also experienced success at the Harry Ainlay TVT Classic with a third place finish. Thanks goes out to all players and coaches for all their time and effort.

# SENIOR GIRLS VOLLEYBALL

The 2001 Senior Girls Volleyball season was one where the team, made up of a mix of new and returning players, had to compete hard in every match. The Warriors finished the regular season fifth in the Premier Conference. In the playoffs, the Warriors were outstanding, advancing to the semi-finals. Thanks goes out to all of the players and coaches for their time and hard work.

Back Row (L to R): Kira Bredy, Jill Pawelko, Robyn MacDonald, Amy Watson, Mr. Oskoboiny. Front Row: (L to R): Hayley Symic, Shannon Leblanc, Jennifer Kitagawa, Erin Johnson, Meaghan Clemens, Stephanie Gee. Missing: Mr. Leung, Ms. Zylstra

The Junior Boys' Basketball Team's season was shorter than expected, but it did have the potential to be a good year. They took part in three tournaments at the beginning of the year and showed themselves well. They came away from each with at least a win. The regular season games were looking good too. We had played against most of the toughest teams at the start of the year then had the games in which we could have been successful cancelled. As it was, we entered the City playoffs in second last place and had to play against the second place team. Overall the year was successful and we have some good returning players who will make next years Senior team better. Good season, guys.

## JUNIOR BOYS BASKETBALL

Back Row (L to R): Mark Pasternak, Colin Scragg, Nick Onyschuk, Tanner McCracken, Sunny Deol, Craig Jones, Mr. Freed. Front Row (L to R): Dustin Pettigrew, Kareem Hersi, Shavinder Kingra, Bilal Abdu, Darpan Dhaliwal  
Missing: Sandeep Deol, Charan Lotey, Suneet Mangat, Mr. Dokken

After being out of the Warrior sports line up for a number of years, the senior boys basketball team was resurrected. What the team lacked in experience, they made up with in enthusiasm. Although the team did not win as many games as they would have hoped, they did provide strong competition for their opponents. This dedication has provided a strong foundation to build for the future of the Warriors' basketball program.

# WRESTLING

This year, the WPW Wrestling Team looked forward to the challenge of building a new championship team after the graduation of past competitors. With J.C. Adams out with an injured shoulder, coach Owen Dawkins looked to last season's rookies to step up and take a leadership role. Chase Wong, Ross Macdonald and Richard Francis quickly filled the void left by the past grade twelves. Nathan Riehl filled the much needed heavyweight rôle and the addition of junior high prospect Vanessa Heron to the team gave Heather Kanda a new training partner.

Due to unfortunate injuries as well as a teacher labour dispute causing cancelled practices, WPW could not retain their championship title at the 2002 Edmonton Zone Championships in St. Albert. Chase Wong repeated his gold in the 53 kg weight class, Richard Francis won his first gold ever in the 68 kg weight class, Nathan Riehl (HWT) and Vanessa Heron(48Kg) also won gold, Heather Kanda (53Kg) achieved silver and Chris Ippolito (63 Kg) pulled off a bronze.

Next season, the WPW Wrestling Team will train hard from October to March and looks forward to holding joint practices with McNally once again. We'd like to thank Owen Dawkins for his hard work as a coach and Mr. Berge for being our teacher sponsor.

See you next season!

Back Row (L to R): Ross MacDonald, Dwayne Johnson, Nathan Riehl, Richard Francis.  
Front Row (L to R): Chris Ippolito, Chase Wong, Vanessa Heron, Mr. Berge  
Missing: Jordan Daam, Heather Kanda, Chantelle Benson, Keith Lacey, Julian Fischer

# SOCCER

'Sometimes in Soccer you have to score goals' was our motto for this year. According to the stats, some may think our season was terrible - in fact the opposite was true. All 18 girls rallied together with positive attitudes and persevered by playing their best every game. Way to go, Warriors!!!

Back Row (L-R) Ms. Relland, Jessi Clark, Tarra Carter, Sandra Leedham, Laurel Cragg, Amanda Darrock, Mahum Chaudhary, Carli Bowthorpe, Anne Marie Soulliere, Rosanna Segura, Ms. Crumpton. Middle row (L-R) Nancy Leedham, Jacey Adams, Michelle Yeung, Milane Pridmore-Franz, Angela Jantz. Front Row (L-R) Alisha Sabourin, Terry Juneau, Ashley Easterby, Kara Foerger

# TRACK AND FIELD

Despite a spring reluctant to arrive, and continued problems between teachers and government, track season finally emerged.

Wagner was host to a small but dedicated group of athletes who committed their time, effort and abilities to their event. The team this year consisted of:

Bouthillier, Rose  
 Connolly, Ian  
 Critchley, Will  
 Fournier, Shawn  
 Juchli, Ben  
 Muchortow, Alyssa  
 Purschke, Zack  
 Reynolds, Mark  
 Scott, Brad  
 Sorensen, Niels  
 Travis, Tony  
 Way, Jenilee  
 Wolowidnyk, Ryan

Of the 13 athletes who competed at mini meets, and the divisional track meet, 9 earned spots representing Wagner in the Zone Championships held June 1<sup>st</sup> under wonderful conditions. The 9 athletes combined for Wagner's best team results ever! We managed 6 4<sup>th</sup> place finishes, and the following medallists will represent W. P. Wagner at the provincial championships to be held in Lloydminster on June 7 and 8. A special mention of the boys 4 x 400 M relay team of Ian Connolly, Zack Purschke, Ben Juchli, and Will Critchley who combined for a team and school best time of 3:43.57, an improvement of over 13 seconds over their best previous result.

Our Athletes who won medals at the Edmonton Zone meet, went on to further success at the Provincial Track and Field Championships in Lloydminster.

Congratulations to our Provincial Medalists:

Jenilee Way – Gold Medal – Sr Girls Discus,

Gold Medal – Sr Girls Javelin

Zack Purschke – Gold Medal – Int Boys 200 M,

- Gold Medal – Int Boys 4 x 100 M Relay (Zone Team)

Ryan Wolowidnyk – Silver Medal – Jr Boys 100 M Hurdles

This total of 5 medals including 4 gold is Wagner's best ever showing in Track and Field.

# CHEERLEADING

This marks the fourth year for the W.P. Wagner Co-ed Cheer Team and the Pom Team. Our co-ed team consists of eight guys and fourteen girls, and our pom team consists of 20 girls. The co-ed team competed at the Alberta Cheerleading Association sponsored competition at West Edmonton Mall and won the gold medal! Congratulations to all the members and to the pom team for their fine demonstration.

Also, the following members of the squad were successful in winning the audition and making the Edmonton Eskimos Cheerleading squad. They are as follows: Jon Hydzyk, Ashleigh Fedun, Shelby Ogonoski, Jeremy Allen, Mark Galkowski, and Kristen Jones. And kudos to the three girls who tried out and did their best. Good luck for next year.

Our appreciation and fond farewell to Heather Laverdiere, Cameron Mottus, and Steve Rowe for their excellent coaching over the past few years, we will miss them dearly, but wish them all well.

# VALEDICTORY ADDRESS

I'm sitting in the Crestwood Inn lounge in Hinton at 9:30 on a Saturday night. I try to find a quiet corner to write this speech, but soon the place fills up. I'm the only one under 40, probably the only one not smoking. The VERY Quebecois waiter tells a couple of truck drivers that the special is Cajun halibut, but they order spaghetti with meatballs instead. I begin to wonder how many of these people remember their valedictorian's speech, or even how many of them have graduated. Did these people once have dreams to be somewhere else on this Saturday night? What happened to those dreams?

Here we are, grads, entering a very important transition in our lives. Most of us can't even remember a time when we weren't in school, which makes me wonder what will happen when we leave. Try. Fail. Try again. Stumble. Fall. Get up. How can we prepare ourselves for the next stage in our lives? Where can we look for guidance? Most of our pop culture role models don't seem to offer much assistance. Bill and Ted barely passed history. Ferris, instead of spending his time at school, spent it developing ingenious gadgets to avoid school. Jughead never did get his diploma.

But there is a common element that all of these characters share. They knew what they wanted, and never stopped trying to get it. And because of this, even though they encountered a variety of obstacles and adversaries, the results were generally both entertaining and excellent, the hijinx always worthwhile.

That is what we need to carry with us as we move on into that big, scary world of independence, and lunch making. Successes, big or small, depend on your knowing what you want. The greatest contribution you can make in this world is your personal happiness. Knowing what makes you happy is your first responsibility to yourself and to everyone around you – making it happen is the second.

While this may seem selfish, I assure you that it is not. As a happy person, you inevitably contribute to others' happiness, and when everyone is happy, everything improves. Pressures ease, conflicts are resolved, even nachos can taste better. It's a cycle you can initiate or ignore – the choice is yours.

Look to Bill and Ted, pursuing their dream of having a most triumphant band ended up saving the world. Jughead taught us that if you always take time to enjoy the simple things, like a nap or a hamburger, life never really gets that stressful. Archie, on the other hand, never could make up his mind between Betty and Veronica, and was therefore always short on dough. And while I would hate to encourage any of you to skip your precious few days left of school, it's essential to make time to promote your own personal merriment. And besides, no one likes to miss a parade, or a friend's car driving through a bay window.

We, the graduating class of 2002, whether or not we realize it or appreciate it, have been offered of the best educations possible. What we choose to do with it is an extremely scary decision – one that some of us are avoiding, some have readily made, and some feel has been made for them. I want to ask all of you tonight, whatever you choose to do, please realize why you are doing it. The sole reason that it makes you feel good, happy, excited, alive, and passionate, is the best. For what the world truly needs is not another brilliant physicist or best selling author, but genuinely happy individuals.

Your happiness is, though sometimes hard to believe while sitting inside on a warm summers day, the reason and purpose of your education. Our past three years of high school have exposed us to so many new fields, people, activities and ideas. We have all found something here that makes us smile, or makes us think – and we have only scratched the surface of what there is to see and do in the world. Our task now, as we leave W.P. Wagner behind, is to go out there and focus on those things. It could lead to a PhD., or maybe picking apples. It could also be spending your Saturday night eating spaghetti and meatballs with your friend.

So I take a second look around at my fellow loungers at the Crestwood. The truck drivers are enjoying their spaghetti, the waiter is really enjoying his accent, and women in the corner are laughing. Maybe these people did have dreams that didn't make it, but that's okay. Life can be a bogus journey, and as hard as you may try, not all of your dreams may make it to reality. You will always have choices – it's up to you to make the ones that you feel good about. Life is also an excellent adventure, and if you lose sight of its unlimited possibilities, its unpredictability, you may find yourself frustrated or bored. And that would be a terrible waste of your potential to enjoy life.

So as we move on, let's take time to focus on how we can all make ourselves the happiest we can be. Let's take time to look at how the things we do make us feel. To quote Ferris: "Life moves pretty fast. If you don't stop to look once in a while, you could miss it."

And let's not forget who helped us get here. A big thank you goes out to all the teachers that encouraged us and made school cool, and the parents who supported us.

Grads, celebrate the past twelve years in style, and please, everyone, enjoy the years to come.

What is more, I consider everything a loss compared to the surpassing greatness of knowing Christ Jesus my Lord, for whose sake I have lost all things. I consider them rubbish, that I may gain Christ and be found in him, not having a righteousness of my own that comes through the law, but that which is through faith in Christ – the righteousness that comes from God and is by faith." Philippians 3:7-9 **-Megan Knall**

A simple thank to all my friends for all the great memories. Don't cry because it's over, smile because it happened. —**Salma Ahmed** For some, life lasts a short while but the memories it holds last forever. Your friends you'll never forget, your grades, sometimes regret. High school was the best three years so far, but don't forget to enjoy the rest of our lives. —**Christina Aire** When you're not looking, this is actually written in Polish...so read quick. I'd like to take a passage from the good book of Uncle Shelby; Shelb 1:23 "Thou who dost not have a car should [deck] out thine locker!" I loved spending my school year golfing with Smada and the Pink Lady. Wagner Cheer owns the mat, Fis, Jonek, Pikush, Munchkin, Beast, Branubus, Adam Bomb, Jillybean, Neets, Lonon, you guys made it fun being a cheer 'friend'! Oh What? Wagner What! I'm glad I finally found that piano in the corner (still lookin' for it, Kels'?). I'll always be watching out for you guys...seriously...turn the page any direction, I'll still be looking at you...creepy huh? Stay sweet. —**Shelby Ogonoski** My only advice is, buy Diesel brand clothing. Apparently that is all you will ever need. —**Kira Bredy** One at a time, ladies! There's enough Porschke for EVERYONE! —**Mike Porschke** You are not a ugly/fat/awkward as you think you are, but it will take us at least five years to realize this. It is going to take me a lot of money in therapy to forget these three years! Mark, you have all my love, Kira, can you hate Wagner more? Ever? Sarah, Thanks for all the support. Don't ever lose your faith! It's the only thing no one can take from you. —**Daniela Chavez** Thanks to all my friends for all the great memories. Angela and Elissa, thanks for breaking the silence. —**Stephanie Schlaak** Always remember high school, it is the best years of our lives. We were old enough to have fun and young enough for it to still be acceptable. —**Ashley Cale** To everyone who made the past three years fun, thanks! To my close friends, thanks for being you, that's why I love you guys! Leann Wedderien, thanks for being a great friend and always being there for me. I'll always be there for you. Amanda Marcus, your parties were awesome, and thanks for letting me sleep over. Sarah Broesky, we've had some good times! Lee Murowanyj, was great. Daniela Chavez, Parveen Mutti and Mark Galkowski and anyone else I forgot, you were all great friends. I love you guys; don't change for anyone, just be you. Love always. —**Zarina Choudary** Okay, so we've come to the end of our high school careers and as we leave these doors our lives will never be the same, we will be forced to take on the future whether we like it or not. Eventually we all cry...some because we are scared, others because they're excessively happy and some because we feel like our dreams are about to pass us by. But it's okay to cry. I'm not worried about the future, sure I have outrageous plans, but I know God's plans for me are much bigger and greater than my own; I will trust in Him. "I'm not afraid to fall; It means I climbed up high. To fall is not to fail; You fail when you don't try. I'm not afraid to fall, I might just learn to fly. And I will spread; These wings of mine!" That which truly lives, shall never die! —**Danielle Bourque** It's been one [heck] of a ride. People come and go, but memories last forever. Grade 10 wasn't so bad, and hey, grad 11 seemed to fly, but grade 12 just took its sweet time. I've had a lot of great times, meeting a bear, my amazing girlfriend (Carol), and playing soccer in Europe. But high school hasn't always been picture perfect, thanks Travis, Tyrell, Simon, Steph, Sasan for being there. "Life is what you make it." —**Stephen Huff** "The most beautiful things in this world cannot be seen or touched — they are felt by the human heart." *Anonymous* Thank you to everyone who has been there for me over the three years. I will never forget you, and all the memories that these years have given me. —**Angela Spencer** We came into high school knowing little and for some, leave with more than we anticipated. Wagner is the best 3 years I could have asked for; I made friends that I will never forget and memories that will last a lifetime. Thanks you to all you guys for the best times ever. Last but never the least I want to thank an important person in my life for making the last eight months more than I could ask for, you are a great guy and my best friend, and I love you for it. Thank you, later, Pet Peeves: Back packs in the hallway. Favourite Time: or Dust. Saying: "Happy Birthday" —**Dusty Robinson** Seize laughter and strength. Good luck in the years to won't last; And if your way should falter along the stony pass; you're happy and you know it clap your hands! Cherish these times guys! Luv ya! —**Farina Damani** Your best time in life for a fun three years, good luck next year. **Drew Czernick** **Donny Edmundson** I don't know half of you half as well as you deserve. —**Michael James** "Oh my God, I don't have a your waterfalls. All your waves and breakers have swept over Nicolajsen In my experience throughout high school, I have apologetics take me? Which of the two will I get, if either? A be like ten years or more from now. Guess my video games than I ever felt before. If nothing else, Wagner helped me touched mine — it's be a blast, everyone. Sometime, later in present, and enjoy life to its fullest. "Where you stand isn't as Dupuis A good three years, good friends, good times, good Ciesielski, Brian Dupuis, Mike Birmingham, Clark Ceretzke, part of life is ended. Thanks for all the happy memories. Good Bethany Nicolajsen, Clark Ceretzke, and others. Remember right for you at time that are right for you. You'll be more others in the path they want you to take. Congratulations to all you'll be proud of. —**Tamara Oomen** Whoever loves money satisfied with his income. This too is meaningless. As goods are they to the owner except to feast his eyes on them? Instead duty of man. —**Clark Ceretzke** The goal of school isn't to tach don't now. The notion that I know everything which I held little bit smarter, buy also a lot less ignorant. To my parents, that tried so hard to get me going; but I fell and it hurt.... To my boys and to my girls - I would name all of you, but that would take too much space. You know who you are and thank you for these times. One day I will succeed in this world of obstacles and challenges. Take care everyone. Peace everyone. **-Mike Peryk** Who would have thought that three years could go by so fast. From the first days of grade 10 to our finale this year, we can all walk away with tons of memories. Memories of all the rickus we caused, and all the fun we had. Especially the night we all went for a ride in Dickson's Jimmy, and Jesse had a little run-by. There were also many other great things, like Trav's parties, Blackjack at lunch, Grad (who will ever forget?), and the list goes on. The best part is all the friends I've been able to stick with 'til the end; Luke, T.J., Trav, Simon, Sasan, Steve, Justin, Aaron, Craig, Mark, Jesse, Eric, Deepak, Phil, Sean, Ryan, Dylan and anyone else I've missed. And of course all the hotties; Suzy, Steph, Kirsten, Kristin, Sarah, Carrie, Sherri, Chelsea, Jamie, Erin, Megan, Christine, Tori...you get the idea. It's been a blast, remember, "life is what you make it." See ya 'round. **-Tyrell Wing**

where there is no path and leave a trail.

Valedictorian:  
Bryan Shelfantook

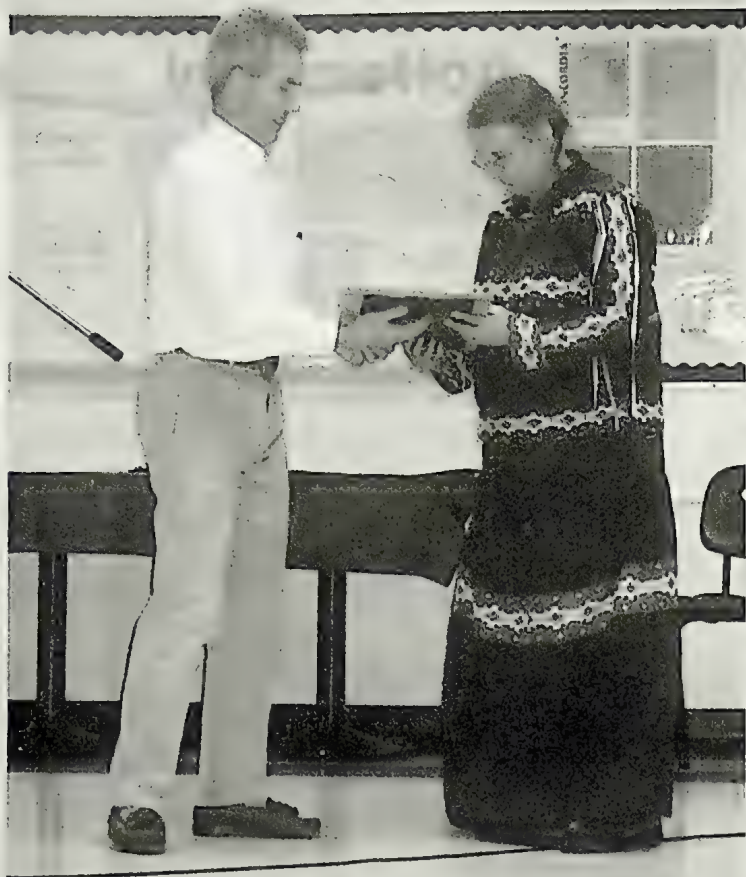

## *Valedictory Address*

Good evening, and Tansi, fellow graduates, award recipients and guests. Thank you for coming here. My name is Bryan Shelfantook. I am of Cree and Tlingit descent. Three years ago, when I started Native Studies, I was confused and unsure of almost everything here. Now, I'm still confused, but I'm not unsure about this place anymore. In the past, only a small percent of the native population went to school. Even smaller still, some those people actually graduated. Although some knew about their heritage, it was barely a portion of it. I, myself, barely knew anything about my culture, or what happened in history in a native point of view.

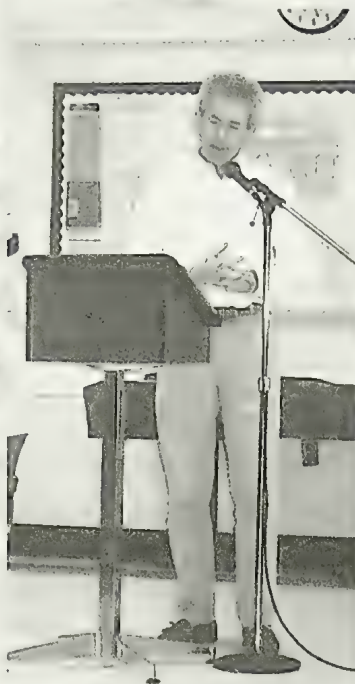

Dr. Hains has helped others and myself learn about natives of the past and in the present. We have also heard many stories and legends of natives and their beliefs. We have learned how they lived, what role each person played in the community, and what happened before, between and after colonization. She has also taught us about the traditions of the Cree way.

Like everyone else on this planet, I believe that natives want respect and confidence like the many who deserve it. I hope for success and happiness for every graduate, recipient, and everyone here. I believe it is important for everyone to learn about their heritage and ancestry. Congratulations, students. If we were to write a story about guidance, sharing and caring, Dr. Hains would be the heroine.

# the School Adventure

This year brought many exciting diversions for Wagner students. On this page you will find photos of many of these pastimes including the Welcome BBQ, Club Day, Retro Day, BYOB, Blood Donor Clinic, a visit from THE Georges Laraque, the Athletic BBQ, a motivational speaker and lunch-time Karaoke!!

## THE SPIRIT OF GIVING

Wagner combines compassion and creativity every Christmas with our Food Bank Hamper competition. This year the idea was to build a "train" of hampers, making the train as long and full as possible in order to help those in need over the holidays. Once more Wagnerites reached into their hearts and filled those hamper, creating a happier holiday season for many families!

## BIO

## CAMP

As part of our biology program at Wagner an optional fieldtrip is planned every year for students interested in experiencing some outdoor fieldwork experience. Each spring and fall about 30 students go out to Wabamun Lake for a two day water analysis study. We study the biotic and abiotic factors that influence water quality as well as the immediate effect of the local environment. To add to the fun of the trip we have all the students participate in some exciting activities such as high and low ropes, climbing wall and canoeing. Students also gain an extra credit for a water management course.

# Travel Club 2002

This year the W.P. Wagner Travel Club visited the "Land Down Under". After a short stop in Los Angeles, the group finally reached its first destination: New Zealand.

Led by their "Chief", Mr. Goupil, students had the chance to experience the Kiwi hospitality and the Maori culture. The group stayed in both Rotorua and Auckland, where students were able to "Zorb" or "Luge" in Rotorua and see penguins and sharks at the underwater world in Auckland.

After four days in New Zealand, the group continued its journey to Australia. The next stop was Sydney, host of the 2000 Summer Olympics. This city has everything to offer: historical sites (The Rock and its museums), landmarks such as the Sydney Opera House, the Sydney Bridge, the Tarunga Zoo and the fabulous Bondi and Manley Beach.

Finally, the last leg of our journey took the group to Cairns, Queensland to experience the tropical weather, the rainforest and the Great Barrier Reef. We also visited the Aboriginal Cultural Centre of the Tjapukai, took a gondola ride to the village of Kuranda and visited the Daintree River region, home of the crocodiles.

# Scuba Club 2002

This year the W.P. Wagner Scuba Club set out on an adventure to Victoria, B.C. to explore the underwater sights of the west coast. The 2002 club consisted of 10 students, 8 of whom participated in the PADI Open Water Diver Course. The lessons started in early April and ran for 6 weeks with students doing classroom and pool training at NAIT each week. This culminated in a final written exam and then 2 days of open water skills testing in Victoria, B.C.

Our flight departed on May 17th and we arrived at our hotel in the evening. The next morning we traveled to Glass Beach near Sidney where we did two dives. It was quite an adjustment getting used to the clumsiness of wearing thick, double-layered wetsuits with hoods and gloves, 30 pounds of weight around our waists, as well as tanks, masks and fins! The shore entry was chilly and awkward indeed, but, thanks to teamwork between bud-

dies, everyone managed to get the job done. Once below the surface we saw plenty of crabs, big orange sea stars, huge sea anemones and more.

On Sunday, we took a boat to our dive sites. The first dive was mainly for skill testing but the second dive was at a place called Graham Wall where there was lots of amazing marine life.

Monday was spent exploring the sights of Victoria's

beautiful Inner Harbour area before flying back to Edmonton. Overall, it was a great trip, and the students are to be commended for becoming certified scuba divers! Special thanks to Dianna and the team at Ocean Sports for their patience, knowledge and ongoing support of our club!

# Rowing Club: 2002 Regatta

This year, for the first time, Wagner submitted a crew of eight girls to the Fourth Annual Youth Rowing Challenge. They started practicing on the ergs and in the rowing tank twice a week at the Edmonton Rowing Club. Once the ice on the river finally melted they started rowing on the river. This was a very new and challenging experience for most of the girls. The team raced twice in the regatta and tied for fourth overall out of 13 crews.

# Student's Council

Student Council got off to a big start in 2001 with a Welcome Week BBQ and rally. During the fall council worked hard to put together a constitution and structure that W.P. Wagner councils in the future could use as a model. In October several council members attended the national student leadership conference in Halifax, Nova Scotia. A very educational and memorable experience was had by all. In December student council hosted the largest ever "Touch of Class" event. Every student and staff participated in this event and it was another huge success.

For the very first time in the history of W.P. Wagner held school wide elections for the student's council 2002-2003 president. We hope this spirit of democracy will continue and that student's council will grow along with our school.

# ***RAD Leadership***

These leaders worked hard to develop and implement activities for RAD classes to participate in, school-wide. These activities included not only fun events, but also philanthropic pursuits, designed to help those less fortunate! Some activities brought to you by RAD Leadership included: Remembrance Day Assembly, Blood Donor Clinic, Mother's Day Raffle for Terra Association, Food Bank Christmas Hampers, Environmental Poster Contest, Halloween Activities (Dress Your Teacher, Decorate Your Door, Pumpkin Carving Contest), and the Afghanistan Relief Fund.

# 9th Annual Japanese Exchange

In our annual visit from two schools in Hasaki, seven Wagner students - Sandi Hilton, April Poetker, Candace Boettger, Jill Maiden, Megan Harder, Andrew Hutton, Brandon Dolinski, — opened their homes to fourteen Japanese students. The guests slept, ate and “lived” in their homes. They accompanied our students to school, sat in their classes, participated in their activities, went out to eat, shop and party with them. In the final wrap-up the Hasaki group put on a banquet of appreciation for our school at the Royal Glenora Club. We enjoyed superb food followed by entertainment consisting of traditional and modern Japanese games, dances, music and sports. One week flew by way too quickly and at the airport even parents were tugging out handkerchiefs. It's amazing what incredible and intimate cross-cultural relationships we can build within one week!

# Junior Achievement Business Game

The Junior Achievement Business Game helps students learn how to run a successful business by competing in a business simulation on a computer. Every Monday during the first semester, a group of students interested in business spent the lunch hour with Mr. Ross playing the Business Game.

On November 21, 2001, teams representing W.P. Wagner captured first and second place in the Northern Alberta Junior Achievement Business Game competition at the Hotel MacDonald. Twenty teams representing schools throughout northern Alberta took part, with the top three teams advancing to the Hewlett-Packard Global Business Challenge. The first place team, consisting of Wagner students Clark Ceretzke, Nathan Latimer, Zach Manntai, and Faron Zaytsoff received \$100 each and the team was featured in an article on the front page of the *Edmonton Journal's* Business section the following day. The second place team, made up of Justin Neufeld, Jon Hand, Stephen Wutzke, Tiffany Jones, and Sabrina Khan, also won prizes. Both Wagner teams then competed in the Global Business Challenge, an internet competition involving teams from sixty countries.

Congratulations to the students mentioned above for their success this year. Thank you for participating. Thanks also to Dale Shippit, Dean Aronson, Nik Bolianitz, and Paula Boissonneault for their participation in the Business Game.

Keeping us up-to-date on the activities of our fellow Wagnerites...

## Warrior Words

Nine W.P. Wagner students worked with Mr. Ross putting together the Warrior Words newsletter this year. Through their work on the school newsletter, these students learned about desktop publishing. They also were able to work with our corporate partner, Xerox, and learn first-hand about the printing process.

Thanks go out to Nathan Latimer, this year's student editor, and to our photo editor, Zach Manntai. Mr. Ross would also like to thank Kolyn Anderson, Tyler Fitz, Justin Neufeld, Dylan Rogowsky, Adam Wisheu, Stephen Wutzke, and Faron Zaytsoff for their help with the newsletter this year.

## ART CLUB

Art Club involved over 25 creative and fun students working on individual and group projects at lunch. This year's biggest undertaking was a beautiful entry into "The Festival of Trees".

## CHRISTIAN CLUB

Christian Club Barbecue

The WP Wagner Christian club meets every Wednesday at lunchtime throughout the school year. They get together for fun, fellowship, bible study, discussions and prayer. Every year they plan a few big projects that involve the larger student body, these include a spring BBQ and a few other smaller outreaches like handing out candy canes at Christmas. Growing together in our faith in Jesus and sharing the good news with others is at the heart of all we do. We are passionate about making a difference in our peers' lives and value being able to build up one another in the process. A big thank you to all those on our leadership team who are graduating and to Jordan King, Jen Eldridge, Tom Boxall, Andrea Gibbons, Neil Payne, Jon Reesor, and Sheldon Arends for all of their help and support.

## GAMERS CLUB

Left to Right: Jesse Chodak, Cody Lockhart, Brandon Dolinski, Alex Weins, and Marc Nicol.

When was the last time you slayed a dragon, thwarted a company of Orks or captured your opponent's bishop all while you ate lunch with your friends? For the students in the Gamer's Club, this describes a typical lunch hour. Students could either use the school's chess sets, or they could bring Magic Cards, Warhammer miniatures or their own unique games to pass the lunch hour in the relaxed atmosphere of Mr. Gallagher's classroom.

Regular participants included JP Desjardins, Devon Gardner, Chase Bell, Carl Albarda, Adam Wisheu, Jim Johnston, David Driscoll, Mike Sanger, Scott Mandryk, Kevin Dupuis, Brian Dupuis, Ryan Grzech, Jess Heemeryck, Josh McGillis as well as many of the companions of Frodo Baggins.

## SKILLS CANADA

Michael Birmingham

Ryan Humphreys

Ryan Humphrey and Michael Birmingham teamed together to win silver medals in the Computer Animation competition during the 10th Anniversary Skills Canada Provincial Competitions held in May at the Agricom. Competing against 12 other teams from high schools across Alberta, Ryan and Michael showcased their skills in computer animation over a 9 hour time limit allotted to competitors. Starting from scratch with a storyboard then working through the production process to a final product and finally presenting to the judges, our W. P. Wagner team demonstrated excellent team work and perseverance, in addition to their obvious high levels of skill in their field.

# YEARBOOK

This group of talented individuals, led by Ms. Klause, worked on this yearbook over the year to make it what it is today. The yearbook class spent Tuesday and Thursday lunch hours locked away in their broom closet planning, planning, planning, and producing, the yearbook. We hope that you enjoy it and it is a reminder of all of the great memories that you have collected over the year. Ms. Klause would like to thank Bram Wiebe, Sarah Campbell, Larissa Sabo, Kendall Moorhouse and Amanda Ford for their contributions!
